The Acacia Release

Lots ranging from 600m² - 875m²

Accessed via Hoya Road, these flat, but elevated lots with views across the district range in size from 600m² to 875m².

The lots, predominantly North and East-facing, have lovely wide frontages, are regular in shape and ready to build on.

They have been designed to capture the cooling afternoon breezes and site lines of the majestic mountains that surround Botanic.

Landscaped, tree-lined streets with sympathetic planting are a feature of Botanic and provide a sheltered haven for residents.
